Hiring Team

Canonical

Re: Web Frontend Engineer — JS, CSS, React, Flutter, 5150422

Dear Canonical Hiring Team,

I am applying for Web Frontend Engineer (5150422). The posting wants TypeScript, React or Flutter, and high-quality web work. I have 2 years 2 months of production Vue.js plus TypeScript/React.js/Next.js against REST APIs. B.Tech CSE (AI), 2020–2024.

Flutter is a ramp. I am not claiming a Flutter production app. Remote from India; travel twice a year is fine. Full-time.

Sincerely,

Atul Banyal
