Re: Skywise Foundry Developer — Bangalore (JR10437380)

Dear Airbus Hiring Team,

I am applying for Skywise Foundry Developer, Bangalore (JR10437380). The posting asks for 1–5 years of software development. I have 2 years 2 months shipping TypeScript/JavaScript UIs, REST APIs, Git, and CI/CD, plus personal Python utilities. That matches the programming floor; Palantir Foundry, PySpark, and Skywise platform modules are ramps I would learn with the team.

I can relocate to Bengaluru. B.Tech Computer Science (ITM SLS Baroda University, 2024).

Sincerely,

Atul Banyal
