Re: SDE-1 (FTC), Cross Border Tech, Job ID 10525643

Dear Amazon Hiring Team,

I am applying for SDE-1 (FTC) on Cross Border Tech in Bengaluru (10525643). The posting asks for 1+ years of non-internship professional software development and one programming language. I have 2 years 2 months of production Python FastAPI and Ruby on Rails REST APIs, SQL, Docker, Kubernetes, and GitHub Actions CI/CD. B.Tech CSE (AI), CGPA 7.7, 2020–2024.

I understand this is a contractual / fixed-term role, not a permanent SDE I req. Java as a primary Amazon service language is a ramp if the team uses it. I will relocate to Bengaluru. Full-time.

Sincerely,

Atul Banyal
