Re: Intermediate Support Engineer, Bangalore, Greenhouse 8687026002

Dear GitLab Hiring Team,

I am applying for Intermediate Support Engineer in Bangalore (8687026002). You want engineers who debug Linux systems, logs, and the Ruby on Rails codebase and who can contribute merge requests. I have 2 years 2 months of production Rails, PostgreSQL, Linux Docker/Kubernetes deploys, and CI-to-runtime debugging. B.Tech CSE (AI), CGPA 7.7.

Customer-facing Support as the full-time track, and GitLab product internals, are ramps. I am not claiming the Intermediate Backend Engineer reqs (8736877002 / 8722304002). Full-time. Open to Bengaluru.

Sincerely,

Atul Banyal
